The Beauregard Parish Police Jury would like to remind residents living in the unincorporated areas of the Parish along with the Town of Merryville that waste collection services provided by Waste Connections will end on September 30, 2026. The new waste collection provider, Waste Pro, will begin providing waste collection services on October 1, 2026. A few tips for residents as we move forward are listed below.

1. **Waste Connections will be picking up trash carts that they provided to residents. If a personal can or cart has been removed, please call Waste Connections directly at 337-535-9522.**
2. **Waste Pro will not begin cart delivery until the week of October 19, 2026, due to the manufacturing of new carts. Each resident will receive one cart to begin. If a second cart is needed, please request it from Waste Pro at 337-352-6997.**
3. **During the month of October, Waste Pro will collect bagged household trash or trash placed in privately owned cans. Please have all trash curbside by 4:00 a.m. on scheduled collection day.**
4. **Collection day schedules will be provided upon receipt from Waste Pro.**
5. **For additional information please go to the Waste Pro website and search Beauregard.** https://www.wasteprousa.com/beauregard-parish/#cart-information
